Impregnator

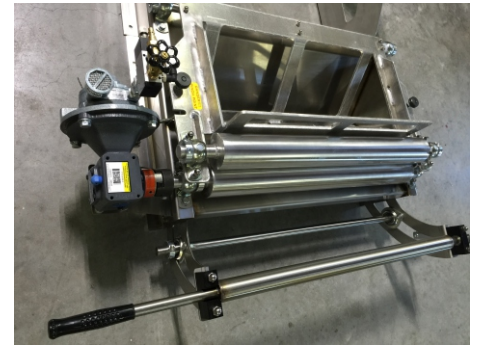

Phoenix Impregnators are the product of many requests from Our Customers for a Better Way to Wet-Out Glass Fabric more Efficiently.

The two Most Important Benefits of these Products Are Quality Control and Cost Savings. Proper Glass to Resin Ratio will insure that each Part will maintain a Consistent Resin Content and Ultimately Ensure the Quality of Your Product.

Roller Versions available in:
12", 24", 36", 52", 60"

These Manual and Automatic Impregnators are Lightweight, Portable and made from Stainless Steel. Also, because there are so few parts to these machines, Clean-Up is a breeze.

If you are Doing any type of Tapping Or Continuous Hand Laying, This is a Product You Cannot Afford to do Without!!!
